

Great to welcome you in Wijchen!

We are getting ready to host a great tournament

EC One Cushion 2008

With less than 2 weeks to go, the organization is frantically busy to get everything in order for the arrival of 60 players from 9 different countries. The stress is still manageable and offers a healthy drive to keep working. We are proud to be hosting a complete players field of 60. Sunday afternoon, 23rd of November 2008 we will set the first 7 groups of 3. You are invited to call the organization between 16.00 and 18.00 h. on the 23rd for exact information on playing times (25th of November) and group information.
